FM translator stations K285EG and K272DG, Seward, Alaska, are the subjects of applications presently pending before the FCC in files BALFT-20030401CJG and 20030401CJH seeking consent for the donation of the assets and licenses to The Moody Bible Institute of Chicago, a non-profit, noncommercial, educational licensee of the Commission. Peninsula has been ordered by the Commission to terminate the present operation of these translators no later than May 9, 2003, and Peninsula will terminate the operation of these translators on May 8, 2003. See, *Memorandum Opinion And Order*, FCC 03-47, released on March 10, 2003.
